## **Mahjong Deluxe In Glorious HD Now Available On The Android™ Market**

Classic Chinese Solitaire Game Downloaded More Than 1 Million Times!

Fans of solitaire games are in for a real treat in Mahjong Deluxe (HD) just released on the Android™ Market by independent developer, Ensenasoft! The game of Mahjong is loved and enjoyed by millions of players from all over the world, and the version of Mahjong Deluxe for iOS® has already been downloaded more than 1 million times!

In the Android™ version of Mahjong Deluxe (HD) you are challenged to eliminate all the tiles from the board throughout 12 lovely backdrops and 84 different puzzle layouts, all accompanied by relaxing and soothing background music. Based on Chinese characters and symbols, your task is to find matching pairs of images at the left- and right-ends of the lines in the various puzzles to remove the tiles from the board.

Mahjong Deluxe (HD) is available on the Android™ Market from here:
