**FREE Version Of Popular 'Streetball' Now Available
For Download On Your Android™**

Get Ready To Step Up Your Game!

Developers Battery Acid Games and Crank Games have just released a FREE version of their highly popular and successful two-on-two basketball game, Streetball. Available now for the Android™ platform, this game has seen more than two million downloads generated from other versions of the game, including the iOS version, and the full version previously released on Android™.

The FREE version of Streetball features the same awesome gameplay as fans have already come to love and enjoy in the full version. Featuring two modes of play, two-on-two, in addition to the starter court mode (open court tutorial), Streetball is the ultimate dunk in your pocket at the perfect price... FREE! With four fully playable characters, Streetball takes you to the streets, and helps you prepare and practice outlandish dunks, and fans of the sport (and genre) will love the varying stats and abilities of each player, in addition to the uniquely stylized visuals.

Streetball is available for download on the Android™ Market here:
