**'Coin Flick Christmas' Is The Most Wonderful
Christmas Present You Always Wanted To Play!**

Santa Claus Has A Few Coins Up His Sleeve!

The good folks at independent developer 'Dim Dim Sum App' are not only in a Christmas Spirit; they are also in a giving mood! To celebrate the festivities of the Holidays they have released a Christmas-themed version of their highly popular 'Coin Flick' game on the App Store (available for FREE), and compatible with the Apple iPhone® and Apple iPod touch®!

'Coin Flick Christmas' is the 1st unique iOS® game in which you flick coins into buckets and collect various Christmas bonuses and prizes along the way, prizes which in turn will enable you to collect enhanced BONUSSES!! It is such a wonderful arcade game, and has already established a large following of fans! Just toss and flick the shiny coins into buckets and see where they fall! Often, but not always, you are given multiple coins in one go to flick into buckets.

'Coin Flick Christmas' is a never-ending game: The game has an almost endless amounts of options for you to continue to have coins - from bonuses, selling prizes, free coin offers, enhanced bonuses, and from the coin shop! You can also check the scoreboard on how many coins you have flicked into buckets consecutively, and because the game has Game Center leaderboard support, you can see how you, and the top players around the globe are performing!

Best of all! 'Coin Flick Christmas' is a FREE download utilizing in-app purchases for additional coins, and the game is Kiip enabled (<http://kiip.me/>) allowing US-Only players to win real prizes while playing the game! With impressive visuals,

About Dim Dim Sum App:

Our company name, Dim Dim Sum, means Tap Tap Heart in Chinese. Our mission is "Connecting Hearts with Apps". We strive to develop smartphone mobile apps which touch your hearts and enlighten your lives. We hope you play our apps with your friends and families and are happy with our apps. Dim Sum is a famous Chinese food with lots of varieties. They are mostly small in size and you can eat it in one bite or small bites. Today, although we have different types of Dim Sum around the world, many restaurants are still very creative to make lovely and yummy Dim Sum to attract their customers. It is really an enjoyable moment to eat Dim Sum and chit-chat with your friends and family members. Our company Dim Dim Sum App follows the same spirit and continues to create many cute and funny mobile apps to color your days with your loved ones. Hong Kong is the city of Dim Sum and it is also our beloved home of Dim Dim Sum App.
