Star Hammer Tactics Coming Soon To PlayStation PSP!

Tactical Battle Game In The Palm Of Your Hand!

To the excitement and anticipation of fans across the universe, Black Lab Games has announced the development of Star Hammer Tactics for the PlayStation platform, and the game will be available soon as a download through the PlayStation PSP (mini-games) store.

Star Hammer Tactics is a futuristic, fast-paced tactical battle game that anyone can learn to play in minutes. In the single-player campaign mode, players will assume the role of a naval strike group commander as they defend the planet Novus from the marauding alien menace known as the Nautilids. Alternately, challenge a friend to a duel to the death in the local multiplayer mode - customize your fleet, then compete for glory and bragging rights! Featuring a rule set that is deliberately simple whilst still allowing for maximum strategic depth, Star Hammer Tactics is sure to engage and entertain gamers of all persuasions. Achieve victory by outwitting your opponents, and then blasting them to little pieces!

- ✓ Engaging tactical battles : individually control each ship in your fleet
- ✓ Easy-to-learn rules; learn to play in minutes!
- ✓ Single-player campaign mode
- ✓ Skirmish modes : create your own custom fleet, then duel against a friend in local multiplayer, or take on the challenging AI
- ✓ Use missiles to devastate your enemy from afar, or engage in close quarters ship-to-ship combat!
- ✓ Crisp graphics and sound!

For additional information about Star Hammer Tactics, and other games in the Star Hammer episodic series, please visit www.starhammer.com.

About Black Lab Games:

Black Lab Games was established in the city of Perth, Western Australia, in 2008. The company has specialized in developing downloadable games and content with a hint of nostalgic flavor. For more information about Black Lab Games, please visit www.blacklabgames.com.au
