Assyria Game Studio Raises The Quality Bar ... Again!

Assyria Game Studio, the unstoppable blockbuster developer with a portfolio of successful games has released Astro Dodge to the App Store. This game is like no other asteroids game you have ever experienced! Power on earth is running low and it is your mission to collect Nano-Plasma to restore power to humanity. Collecting Plasma while dodging asteroids is harder than you might imagine: You will encounter not only solar storms, but black holes on your mission to save our dear planet from ultimate destruction.

Astro Dodge is available from the App Store here:
